Bill Lee

Chinese Playground: A Memoir Bill Lee

This stark and unsentimental recollection of childhood and coming of age in the back alleys and bustling streets of San Francisco Chinatown reveals the sinister and pervasive influences of organized crime.

"Chinese Playground: A Memoir" traces author Bill Lee's maturation from innocent child in a troubled family to a street punk, gang member, and college graduate struggling to break free of his involvement in escalating violence. Lee's personal accounts of two high-profile murder incidents are engrossing. The 1977 Golden Dragon Massacre in San Francisco that left five dead and eleven wounded, was carried out by his blood-brothers who were engaged in the most violent Asian gang war in U.S. history. A decade later, a mad gunman killed seven and injured four at ESL, a high tech firm in Sunnyvale, California where Lee was employed. An unlikely hero emerges as he accepts his fate, employing his street instincts to save coworkers during the murderous rampage. Startling details on both crimes are revealed for the first time. This true story is a provocative read providing valuable insight into Chinese American culture, organized crime, distressed families, at-risk youths, personal recovery, Bay Area history, and Silicon Valley.

If you want to buy the e-book, you can start their official web-site in addition to order it. Have a nice go through.

Effie Steger:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Chinese Playground: A Memoir can make you feel more interested to read.
