Deepening Engagement: Essential Wisdom for Listening and Leading with Purpose, Meaning and Joy
Diane M. Millis PhD

What are the qualities you need to *live fully and lead authentically* in our age?

"Is it possible for our institutions of work to become, in the words of American political analyst Yuval Levin, 'soul-forming institutions'? If so, what does leadership become? In this book, Dr. Millis clears a path and points the way for those willing to set out on this journey. The personal stories she asks us to ponder and put into practice transform abstract ideas such as 'deep engagement' into living realities. Leadership becomes a personal quest and calling."

?from the Foreword
