Emerald (Steele Investigations) (Volume 2) Kasey Millstead

Jemma Calloway has a deep, dark secret. Growing up, her father was a monster who violated her in the worst possible ways. Her mother was a monster of a different variety – the kind that knows wrongs are being done but they do nothing to stop it. Jemma’s childhood was full of heartache and hurt at the hands of the two people who she should have been able to rely on to keep her safe and protected. She made no friends because she was frightened of what her father might do to them. It all came to a head one day when Jemma was sixteen. If she thought things in her family home couldn’t get worse, she was wrong. For Travis Steele, Jemma has been under his skin since the first time he seen her behind the counter at the boutique his sister owns with her best friend. Long, black curly hair, beautiful body and her smile, when she shows it, could be described as nothing but glamorous. Travis knows Jemma is hiding something. A private pain he could never begin to imagine. Still, he makes it his mission to clear the darkness from her beautiful eyes so they only shine light. After being hurt her whole life, after never being able to trust no one but herself, will Jemma lower her walls enough for Travis to get inside? Will Travis be able to pull her out from under her father’s control? Jemma needs a safe haven and according to Travis, he’s it. But will he be able to convince her? Due to the nature of this book, it is recommended the reader be over 18 years of age.

From reader reviews:

Jim Weigel:

Information is provisions for people to get better life, information these days can get by anyone in everywhere. The information can be a knowledge or any news even a problem. What people must be consider any time those information which is inside the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one often the resource are convinced. If you receive the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Emerald (Steele Investigations) (Volume 2) as the daily resource information.

Laura Thompson:

Reading a book tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story as well as their experience. Not only situation that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this Emerald (Steele Investigations) (Volume 2).

Rebecca Lopez:

People live in this new morning of lifestyle always aim to and must have the time or they will get large amount of stress from both everyday life and work. So , once we ask do people have time, we will say absolutely yes. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to you of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative in spending your spare time, the actual book you have read is usually Emerald (Steele Investigations) (Volume 2).

Loren Benton:

Reading a book to get new life style in this year; every people loves to learn a book. When you study a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you would like get information about your examine, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, and also soon. The Emerald (Steele Investigations) (Volume 2) provide you with a new experience in looking at a book.
