Health Care Law

Janice L. Kazmier

Health Care Law Janice L. Kazmier

Health Care Law provides essential information necessary for students pursuing careers in the growing health care sector, as paralegals, managers, or compliance/ethics professionals. This text offers students easy-to-read chapters that provide outlines, learning objectives, summaries, and exercises to assist students with comprehension. Chapters focus on key information such as the types of health care entities, and the laws and ethics that govern them, and discuss the major areas of health care law, including regulatory research and administrative law review. Also highlighted are important contemporary topics like electronic health records, corporate compliance, HIPAA privacy and security, physician professional relationships, and prepares students for their careers with real-world examples.
