It's hard to believe that there was once a time when sex was seen only as useful for procreation – and worse, that it was only to be done in one position! Missionary sex has been the most popular position since the dawning of time, and these days it is very popular for the comfort and intimacy factors. But missionary sex is just the tip of a very naughty iceberg of sexual positions that you and your partner can enjoy!

If you are entirely new to sex or haven't been "on the wagon" in quite some time, you are considered a beginner. We've got a long list of beginner's positions that you can enjoy, and those are likely to spark your own ideas.

If you have been around the block a time or two, the more experienced sexual positions might be right up your alley. These positions require a little more communication and creativity to make the grade, but we're sure you can pull them off!

The true sluts among us will appreciate the advanced positions that make them feel like a total whore. These positions are fun, sometimes difficult and maybe even a little scary for some, but they are definitely worth trying at least once, just to say you did.

Remember, any of the positions in this book can be modified to suit your own needs and abilities. Explore all of them and find what works for you! You can modify these positions by using pillows to support you, trying different angles with your hips or even lifting your legs in a different way. The key is to have fun!

So without further ado, let's talk about some naughty positions you should definitely get yourself into.
