The Hugging Tree: A Story About Resilience Jill Neimark

A little tree ends up on a cliff and must grow there. She finds comfort in the sea and the moon, support from loons, and connection and warmth from the people sitting in her shade. *The Hugging Tree* is a poetic and peaceful story that aims to teach children about hope and resilience. Rather than a lonely tree on a lonely cliff, the tree represents community and a place to get in touch with inner hopes and dreams. Includes a "Note to Parents" by Elizabeth McCallum, PhD.
