Cognitive Therapy of Personality Disorders, Second Edition

Aaron T. Beck, Arthur Freeman, Denise D. Davis

Cognitive Therapy of Personality Disorders, Second Edition Aaron T. Beck, Arthur Freeman, Denise D. Davis

This landmark work was the first to present a cognitive framework for understanding and treating personality disorders. Part I lays out the conceptual, empirical, and clinical foundations of effective work with this highly challenging population, reviews cognitive aspects of Axis II disorders, and delineates general treatment principles. In Part II, chapters detail the process of cognitive-behavioral therapy for each of the specific disorders, review the clinical literature, guide the therapist through diagnosis and case conceptualization, and demonstrate the nuts and bolts of cognitive intervention.
