Faerie Delle Jacobs

Like her mother before her, Leonie of Bosewood carries Faerie blood in her veins, a secret she harbors to protect her own life. For although the people of eleventh-century England believe in magic, their ignorance and fear have made being different a very dangerous prospect. Caught between the human and Faerie worlds, yet belonging in neither, Leonie must guard her heart...no matter how strong the temptations.

As the king's emissary, Philippe le Peregrine has watched Leonie mature from gangly girl to alluring woman. With each encounter, his attraction grows, but he knows a match between them can never be. For Philippe hides his own secret, one that has condemned him to a life of lonely celibacy for fear of harming the woman he loves. But when powerful forces prompt them to unite against a sorcerer intent on conquering the world, Leonie and Philippe realize that only together are they strong enough to combat the evil threatening to engulf them.
