The Quick Scripture Reference for Counseling was first published in March 1988. While its primary intention was to help counselors and pastors, over the years laypersons have also found it indispensable in helping them meet their personal needs as well as mold their personal and family devotions. This revised and expanded edition is specially designed to help people use the Scriptures more effectively in their lives. Scripture quotations are from the popular NIV. Scripture passages on each of the practical topics are thoughtfully arranged in a numbered list so that users can see their significance at a glance. Users have all the pertinent Bible passages at their fingertips when they need them most.
