**Arrogant Max** has come back to town and into **Kim's** life with a vengeance. Her mother married his father, but she's barely met the arrogant billionaire. And when they have some alone time, he pushes all her buttons, arousing every emotion in her—even lust. She can't want him, but she can't resist him, either.

Max is everything Kim doesn't want. He tears businesses apart and all of a sudden, he's focused on acquiring her company. She's sure her head is on the chopping block and she loves her job. This is a very bad thing.

Max is in town for a combination of business and pleasure, but he never expects his head to be turned by his beautiful, yet seemingly uptight, stepsister. Miss Priss Kimberly is all sorts of wrong for him, but Max can't stay away. Balancing business with very taboo pleasure is hard; can Kim and Max find a way to be together?

**Note: Contains Explicit Scenes of Passion and Desire. Intended For Adult Eyes Only!**
