The Common Sense Book of Baby and Child Care Benjamin Spock M. D.

This is a reprint of the One and Only Original book by Dr. Benjamin Spock on Baby and Child Care. Prior to this reprint, the original book had not been reprinted since 1957. Instead there have been many new books, all bearing Dr. Spock's name, but these have been considerably different books and usually much shorter. No book published after 1957 has been a true reprint of the original book. Starting with Baby and Child Care (2nd ed.). New York: Pocket Books (1957), books have been coming out claiming to be new editions of the original book, but in reality they are different books, not the same book. Poor Dr. Spock has had to cater to the demands of various pressure groups who demanded revisions of his work.
