The Iron Horse Dawn Erin

The Iron Horse is a vivid and darkly comic tale about a girl growing up in gritty working-class New England. Horse-crazy Sunny Quinn spends her childhood toiling long hours in relentless pursuit of entry into the elite world of competitive Saddleseat Equitation. Her weight, her lack of money, her crushing shyness and her tyrannical stepfather all contribute to Sunny's spectacular failure, with harrowing and far-reaching consequences. The story takes the reader on a wild ride through the depths of addiction, crime, sacrifice and suffering set against the backdrop of scorching first love. Filled with memorable characters and encompassing the timely themes of determination and endurance, The Iron Horse is ultimately a story about the lies we tell ourselves, and the twisted road to redemption.
