Gods of War (War of the Gods Series Book 1) Jory Smith

For thousands of years battles for control of Olympus have been fought. First the gods fought the titans and won. Then they started fighting amongst themselves. As the battles continued mankind took the most casualties. It was at this time when Heroes rose to defend mankind from the gods. As all hope seemed to be lost the gods just disappeared. As time passed the gods turned to myths and the need for heroes passed as well.

Now a new threat has emerged. The gods are back and Ares has unleashed his army on the world.

Three Heroes have been called to save mankind, Terry son of Zeus, Nicolai son of Hades and Amadi son of Ares. But will this be enough. Will the heroes overcome Ares' army or will they fall to their own selfish needs. One thing is clear; nothing is simple when the gods are involved.
