Drake Cody - an emergency doctor and researcher with a past no physician is allowed to have.

His experimental drug may help the paralyzed walk.

A brilliant yet deranged woman working in the shadows of the pharmaceutical industry will stop at nothing to steal the drug and gain the riches it will bring.

The diabolical death of the attorney-wife of one of Drake's partners begins a cascade of betrayal and intrigue.

The stakes skyrocket as Dr. Drake Cody, his wife Rachelle, and their two children become pawns in a contest where their lives mean nothing. Rachelle's duty as a mother is tested beyond limits. Drake's shocking history may help save them - or assure their destruction.

Greed, betrayal, lust, and murder collide with courage, commitment, and love of family.

A suspense-thriller featuring authentic life-or-death medical action written in plain language by an award-winning physician-author
