These short fictions describe eight appearances of the medieval 'Saint' Christina the Astonishing in the near and distant future.

What follows includes an artificial prayer, the discovery of immortal qualities of mind, a 63% chance of seeing into your future and the secret of the Quantum Deficit.

Christina Mirabilis (1150-1224) seemed to die suddenly at the age of 22 before flying up into the air over her coffin to the astonishment of the the local townspeople.

She is the unofficial patron saint of people affected by mental illness and their therapists.

At the time of writing there are no confirmed apparitions or intercessions officially credited to Christina the Astonishing.
