The national bestselling Novel Idea Mysteries return with Lila Wilkins, who has just been promoted to full-time literary agent. But great new writers aren't the only people she's trying to catch...

Lila Wilkins has it all: the home of her dreams in the charming town of Inspiration Valley, North Carolina; a perfect police officer boyfriend; and a new job she absolutely loves. At the Book and Author Festival, which is sponsored by the Novel Idea Literary Agency, Lila expects to discover some talented new authors, but what she finds instead is the body of an editor to whom she bears an eerie resemblance.

Trouble is, the editor's death isn't the only literary murder taking place. Soon a blossoming author is also killed, and Lila has a gut feeling that the two murders are linked. Now she must hunt down the dark figure who killed these women—and to her surprise, she just might find the clues hidden in a manuscript...
