Global Families (Contemporary Family Perspectives (CFP)) Meg Wilkes Karraker

In *Global Families*, author Meg Karraker provides family scholars with a methodical introduction to the interdisciplinary field of globalization. *Global Families* then examines the ways in which globalization impinges on families throughout the world in four major areas: demographic transitions, world-wide culture, international violence, and transnational employment. The book concludes with a discussion of supra-national policies and other efforts to position families in this global landscape.
