Psychology of Gender (3rd Edition)

Vicki S. Helgeson

Psychology of Gender (3rd Edition) Vicki S. Helgeson

Unlike other gender texts—this text focuses equally on both men and women, drawing from the empirical research and conceptual discussions surrounding gender in the areas of psychology, sociology, anthropology, medicine, and public health. It reviews the research from multiple perspectives, but emphasizes the implications of social roles, status, and gender-related traits, particularly for relationships and health—areas that are central to students' lives and that have a great impact on their day-to-day functioning.
