A stunning collection of 42 mandalas inspired by Paris monuments and architectural patterns of the City of Lights. You are going to fall in love with this adult coloring book. A way to relax, have fun, release stress, but also honor the people of this wonderful city. When you hear 'Paris,' you think of the beauty, the romance and mystery of what people refer to as the City of Lights. We wanted to create an adult coloring book containing this particular feeling one has when thinking of the beautiful city – more than just reproducing popular monuments, building carvings or architectural patterns. Following the Paris terrorist attacks of November 13, 2015, we also wanted to express a profound message of hope, peace and strength everyone can hopefully reconnect through this beautiful and relaxing coloring book. So very simply, whether you are new to coloring or a pro at coloring, find a cozy corner, a favorite spot, pick a page that inspires you and start coloring. Enjoy!
