## **Black Skin, White Masks** Frantz Fanon

A major influence on civil rights, anti-colonial, and black consciousness movements around the world, **Black Skin, White Masks** is the unsurpassed study of the black psyche in a white world. Hailed for its scientific analysis and poetic grace when it was first published in 1952, the book remains a vital force today. “[Fanon] demonstrates how insidiously the problem of race, of color, connects with a whole range of words and images.” — Robert Coles, *The New York Times Book Review*
