Dark Watcher (The Watcher Series, Book 1) (Volume 1) Lilith Saintcrow

The Lightbringer:

Theodora Morgan knows she's a little strange. Her talent for healing has marked her as different all through a life spent moving from town to town when someone notices her strangeness. Now she has a home, and she doesn't want to leave-but she's been found. The Crusade wants her dead because she's psychic, the Dark wants to feed on her talent, and then there's Dante. Tall and grim and armed with black-bladed knives, guns, and a sword, he says he's here to protect her. But what if he's what Theo needs protection from most?

The Watcher:

Dante is a Watcher, sworn by Circle Lightfall to protect the Lightbringers. His next assignment? Watch over Theo. She doesn't know she's a Lightbringer, she doesn't know she's surrounded by enemies, and she doesn't know she's been marked for death by a bunch of fanatics. He can't protect her if she doesn't trust him, but how can she possibly trust a man scarred by murder and warfare-a man who smells like the same Darkness Theo has been running from all her life?

Bounced around the world as a military brat, Lilith Saintcrow fell in love with writing in second grade and never looked back. She currently resides in Vancouver, Washington, with two children, a menagerie, and books. Find her on the web at lilithsaintcrow.com.
