Cameron Sinclair is a successful businessman, with world-wide offices. He's a multi-billionaire with all the trappings, private jet included. But Cameron has a secret – he's also a Wolf. A Wolf who vowed never to return to Pack life, or his birthright as Alpha. With no choice but to answer his father's summons, he reluctantly returns to his Highland Pack. However, two Alphas in one Pack will never do and things do not go smoothly. Cameron again leaves his Pack to aid his Uncle in the US, with several of his friends in tow. What awaits is heartache, sorrow and the chance for a new life as Alpha of a large Pack. A life with love in it, his first sight of the white She-Wolf affecting him in ways he can't even understand. A deadly threat is uncovered and he and his Wolves must defend the Pack by all means necessary. When the threat is a corrupt and depraved Alpha and a horde of immortal guards, can Cameron save the Pack? And, if he does, will he want a part of it? Or, will he do what he always does – walk away?
