Mating Rights Allie Blocker

Kamra

The band took the gig because the money was too good to pass up. The last thing I expected was a rinky-dink hole in the wall...full of wolves.

No problem. I'm a capable witch. I can handle a den of werewolves.

Only these aren't werewolves, they're wolf shifters. How was I supposed to know there was a difference? And to make matters worse, for some reason, I keep antagonizing their Alpha, Rannulf. I can't seem to help myself. He's just so arrogant, so male, so ALPHA!

Rannulf

What exactly does this little witch think she's doing? Does she not realize flaunting that lush little behind was going to get her mounted? Does she not know I am not a wolf to be toyed with? What she needs is a man to take her in hand. She needs to be marked. She needs to be mine.

One thing Kamra will learn this night- never run from a wolf.

EXCERPT:

"I ran because I was afraid of getting fleas," I pant, trying to block out the rush of pure ecstasy I feel as he reaches around me, unerringly finding a protruding nipple and twisting it. The acute sting quickly melts into a delicious heat that spreads throughout my body, centering right in my cunt. The low-down bastard!

"You're intent on pushing me, aren't you, little witch?"

His hands move down to my waist, snapping the button open with a mere tug. If he rips my jeans I will be completely naked, as I tend to go commando most days. Why, oh why does today happen to be one of those days I eschewed underwear? There is no way I can face my band, my freakin' family, all freshly fucked and nude. First of all, they'd smell him on me from a mile away. Secondly, well, it's just plain embarrassing. There's absolutely no doubt I am about to be fucked. By the moon, I'm damn near begging for it.

However, my hopes turn quickly to dismay when I feel a razor-sharp claw lightly nick the soft skin at my side, moving inexorably down to my hip. That little scratch was on purpose. I know that as sure as I know my name. The snug fit of the denim I'm wearing gives way at the exact time I hear a RIIIIIP.

"You're ruining my clothes, asshole." I try my best to sound annoyed, maybe even a little fierce. For crying out loud, I am in the middle of nowhere pinned to a damn car. Yet, all I can manage to feel is turned on, and my voice showcases the intense yearning the wolf is forcing me to experience. Damn the full moon, damn my own need that is bubbling to a full boil.

"You won't need clothes this night," comes a husky promise, this time laced with an accent I can't place as

he makes short work of clawing my jeans to pieces, all without nicking me again. Before now, he'd just sounded like any American wolf.

Well, at least I had my boots.
