The Ghost of You Amanda Burckhard

"A lovely, haunting, captivating tale from the first page to the last. It grips your heart and keeps it until the very end." - Natalie Decker, bestselling author of RIVAL LOVE

Emmy has everything she's ever wanted: a hot boyfriend she adores, great friends, a promising future, and even a well-connected family.

But one night rips it all away.

A car accident shatters her world, claiming the lives of her twin brother and her best friend. In the wake of the accident, her friends drift away, her family falls apart, and her boyfriend cheats.

The grief is more than she can handle, so she finds escape at the bottom of a bottle of painkillers. Taking the pills makes her brother alive again, if only in her head. Seeing and talking to her brother as if he were still alive is the only thing that keeps her going. Until Logan King moves to town.

Logan sees past the mask of pristine popularity she wears in public and he's the only one who can tell she hasn't moved on. His uncanny ability to read her forces her to open up and she starts to fall for him, no matter how unwilling she is to admit it. But Emmy isn't the only one keeping secrets and when a close brush with death sparks events that bring everything to light, Emmy will have to decide what's more important: learning how to forgive and move on, or holding onto the pills and the ghost of her past.
