## **Thirteen** Richard K. Morgan

The future isn't what it used to be since Richard K. Morgan arrived on the scene. He unleashed Takeshi Kovacs—private eye, soldier of fortune, and all-purpose antihero—into the body-swapping, hard-boiled, urban jungle of tomorrow in *Altered Carbon*, *Broken Angels*, and *Woken Furies*, winning the Philip K. Dick Award in the process. In *Market Forces*, he launched corporate gladiator Chris Faulkner into the brave new business of war-for-profit. Now, in *Thirteen*, Morgan radically reshapes and recharges science fiction yet again, with a new and unforgettable hero in Carl Marsalis: hybrid, hired gun, and a man without a country . . . or a planet.

Marsalis is one of a new breed. Literally. Genetically engineered by the U.S. government to embody the naked aggression and primal survival skills that centuries of civilization have erased from humankind, Thirteens were intended to be the ultimate military fighting force. The project was scuttled, however, when a fearful public branded the supersoldiers dangerous mutants, dooming the Thirteens to forced exile on Earth's distant, desolate Mars colony. But Marsalis found a way to slip back—and into a lucrative living as a bounty hunter and hit man before a police sting landed him in prison—a fate worse than Mars, and much more dangerous.

Luckily, his “enhanced” life also seems to be a charmed one. A new chance at freedom beckons, courtesy of the government. All Marsalis has to do is use his superior skills to bring in another fugitive. But this one is no common criminal. He's another Thirteen—one who's already shanghaied a space shuttle, butchered its crew, and left a trail of bodies in his wake on a bloody cross-country spree. And like his pursuer, he was bred to fight to the death. Still, there's no question Marsalis will take the job. Though it will draw him deep into violence, treachery, corruption, and painful confrontation with himself, anything is better than remaining a prisoner. The real question is: can he remain sane—and alive—long enough to succeed?

### From reader reviews:

#### Edward Rideout:

The knowledge that you get from Thirteen could be the more deep you digging the information that hide inside the words the more you get enthusiastic about reading it. It does not mean that this book is hard to understand but Thirteen giving you excitement feeling of reading. The article writer conveys their point in selected way that can be understood by anyone who read the item because the author of this reserve is well-known enough. That book also makes your vocabulary increase well. Therefore it is easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having that Thirteen instantly.

#### Shawn Francis:

On this era which is the greater particular person or who has ability to do something more are more special than other. Do you want to become one among it? It is just simple method to have that. What you have to do is just spending your time not very much but quite enough to experience a look at some books. Among the books in the top listing in your reading list is definitely Thirteen. This book that is certainly qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking right up and review this book you can get many advantages.

#### Hilda Szymanski:

Do you like reading a reserve? Confuse to looking for your best book? Or your book was rare? Why so many concern for the book? But just about any people feel that they enjoy intended for reading. Some people likes reading through, not only science book and also novel and Thirteen or maybe others sources were given expertise for you. After you know how the truly great a book, you feel want to read more and more. Science guide was created for teacher or even students especially. Those guides are helping them to increase their knowledge. In various other case, beside science publication, any other book likes Thirteen to make your spare time far more colorful. Many types of book like here.

#### Diana Ham:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Thirteen can make you experience more interested to read.
