## 100% Pure Sexiness, No Filler

*Stand-alone paranormal werebear romance. No cliffhanger, just a happy (and sexy) ending!*

Clara's instincts told her that her deadbeat of an ex was the one. And every time she sees Asher — a muscular alpha werebear with tattoos, a beat up leather jacket and a powerful desire to mate — her instincts tell her that she should be jumping all over him. Literally. But can she trust those instincts a second time?

Asher has waited patiently for the sexy, curvy little werecat Clara to become single. But now that she's single patience can go to hell. Now nothing, not even other shifters intent on claiming Clara for themselves, is going to stop Asher from making Clara his mate.

Reader's Note: This story contains some seriously sexy scenes. If you're not interested in reading about curvy ladies who like their bodies getting it on with tough, growly alphas, then this story probably isn't for you!
