Billionaires for Destiny: BWWM Menage Romance Madison Smoke

Two drop-dead gorgeous billionaires, one beautiful black woman, and the day in her life when everything changed. The day that Destiny learnt **what sharing was all about.**

The heat was radiating from me fiercely now. Brandon was talking about sex! In the same sentence as mentioning me! I couldn't help myself from stammering... 'Well you know I used to be in love with you both...'

Kye and Brandon looked at one another, as if I'd said some kind of magic password, opening up another, secret realm, and then they nodded at one another. What did it mean?

'That's good to hear, baby,' said Brandon, growing even more confident now. 'Because we've come to make you a proposition.'

My eyes widened.

'We've been saving ourselves for you, Destiny,' said Kye, with such sincerity in his voice that I almost laughed. 'Both of us have.'

A steamy erotic romance containing a BWWM MMF menage, bisexual elements, and even a hot pregnancy!

Contains adult content.
