Drug World Ronald Barnes

The world for JC was inescapable, it seemed like the more he ran from the life style of selling drugs; the more it came in his life. After losing his two son's mother to drug world, he fell in love with the woman of his dreams. He thought he was off to a beautiful future with his family, until his past caught up with him and sent him to prison. After prison, that dreadful life style that he feared, came in his life like a quiet storm. Before he could realize what had happen to his life after prison, he was caught up in drug world and couldn't get out. The drug world is a heartless and selfish business, it has no respect for life or anything in it. This book does not sugar coat any aspect of this life style; at any level what so ever, it's the plain truth and if you think for one minute you can stand the test of time in drug world. You're a fool, because the life style ain't nothing but sadness and pain!
