## Forever Yours Janmarie Anello A Marriage of Inconvenience

Sophie Treneham thought she'd left scandal behind her when she retired to a quiet country estate to raise her daughter alone. But her peaceful refuge is shattered when a stranger with dark hair and a menacing scar across his cheek arrives in her drawing room and claims she is his betrothed! Marrying this pirate of a man is out of the question and Sophie is sure he has come to pillage what is left of her home. Only as an irresistible attraction builds between them and desire turns to love does Sophie realize her true danger: the treasure Jagger Remington has come to plunder is her heart.

### An Unexpected Love

A debt of honor forces Jagger to abandon his life and agree to wed Sophie sight unseen, but the lady he finds is more beautiful than he expected, and more spirited. She soon makes it clear that she never consented to her brother's matchmaking scheme. Despite her protests and his suspicions surrounding the match, decency demands they wed. But what begins as a marriage based on duty, soon turns to irresistible attraction. Jagger never expected to find love—and redemption for his past sins—within his makeshift family. Now he faces his greatest challenge: to win Sophie's trust and earn her love...before the truth behind their hasty marriage emerges to destroy them.
