Ray Whittington, Kurt Pany

Principles of Auditing and Other Assurance Services with ACL software CD + Connect Plus Ray Whittington, Kurt Pany

Whittington/Pany is our market leader in the auditing discipline. While most textbooks use a cycles approach, Whittington/Pany enlists a balance sheet approach – making it particularly straightforward and user-friendly. The 19th Edition of Principles of Auditing & Other Assurance Services provides a carefully balanced presentation of auditing theory and practice. Written in a clear and understandable manner, it is particularly appropriate for students who have had limited or no audit experience. The approach is to integrate auditing material with that of previous accounting financial, managerial, and systems courses.
