Psychology Don H. Hockenbury, Sandra E. Hockenbury

More than any other psychology textbook, Don and Sandra Hockenbury's *Psychology* relates the science of psychology to the lives of the wide range of students taking the introductory psychology course. Now *Psychology* returns in a remarkable new edition that shows just how well-attuned the Hockenburys are to the needs of today's students and instructors.

Psychology began with a basic idea: combine scientific authority with a narrative that engages students and relates to their lives. From decades of experience teaching, the Hockenburys created a book filled with cutting-edge science and real-life stories that draw students of all kinds into the course.
