The Frontier Boys: The Novel John Grooters

Bam! Bam! Bam!

Three quick shots, and then the car sped away at full speed to the sound of screams.

Brent Fencett found himself in the wrong place at the wrong time. Now his friend's life hangs in the balance, his basketball season is on the brink, and Brent is reluctantly trying to help his other best friends solve the very crime he committed.

As they get closer and closer to finding some answers, Brent faces the deepest choice in his life—to come clean or to cover up his own guilt. Only one choice will set him free.

“I have always respected people who demonstrate the strength and ability to do what is right in all situations, especially when there is great pressure to do otherwise. The Frontier Boys is an inspiring story about these very choices. I strongly encourage you to read it.”

--Kirk Cousins, Quarterback—Washington Redskins
