A Noble Groom Jody Hedlund

A New Historical Romance from Fan-Favorite Jody Hedlund

Recently widowed Annalisa Werner has the feeling her husband was murdered but can't prove it. Alone with her young daughter in 1881 Michigan, she has six months left to finish raising the money needed to pay back the land contract her husband purchased, and the land is difficult to toil by herself. She needs a husband. With unmarried men scarce, her father sends a letter to his brother in the Old Country, asking him to find Annalisa a groom.

For nobleman Carl von Reichart, the blade of the guillotine is his fate. He's been accused and convicted of a serious crime he didn't commit, and his only escape is to flee to a small German community in Michigan where he'll be safe. He secures a job on Annalisa's farm but bumbles through learning about farming and manual labor.

Annalisa senses that Carl is harboring a secret about his past, yet she finds herself drawn to him anyway. He's gentle, kind, and romantic--unlike any of the men she's ever known. He begins to restore her faith in the ability to love--but her true groom is still on his way. And time is running out on them all.
