All My Road Before Me: The Diary of C.S. Lewis 1922-1927 C. S. Lewis

"Lewis's diary . . . furnishes a vivid picture of post-World War I Oxford and helps explain the easy erudition he brought to such work as *The Allegory of Love*."—*Library Journal*

Before he was the beloved writer of *The Chronicles of Narnia* or the Christian apologist of *The Screwtape Letters*, twenty-three-year-old C.S. Lewis was a soldier, student, and atheist. Newly returned from the front lines of World War I, Lewis took up residence with the mother of a friend killed in combat and started to make a life for himself in Oxford. At the urging of Mrs. Moore, whose friendship had a huge effect on him, Lewis kept for five years a detailed diary of his day-to-day life—giving us a window into the inspirations and development of a man whose theology would eventually have great influence on the Christian world. In *All the Road Before Me*, we accompany Lewis through his days as a young writer and as a young man, determining his place in the world.

"A disarming self-portrait of Lewis as sensual, self-assured atheist and clandestine family man."—*Publishers Weekly*
