Because of Low (Sea Breeze) Abbi Glines

It's steamy in the Gulf town of Sea Breeze. Physical attraction is the only way to beat the heat in this second book of the Sea Breeze series from bestselling, previously self-published author Abbi Glines.

Playboy Cage owns the apartment, and he hosts a revolving door of people, in and out, at all times. Most of them are long-legged hot girls who are never there more than a night or two. When Cage's new roommate, Marcus, enters the picture, he's just looking to nurse a broken heart. But there's one particular semi-frequent regular who catches his eye.

Willow—"Low"—is the one Cage wants to marry. But the two of them are night and day, and Marcus can't see how Low puts up with all of Cage's womanizing. What she really needs is a real man...like good-looking and sensible Marcus. But that's going to get real complicated and real messy—real fast.
