"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Best Selling Author of the Hacker Series.

It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life.

No money. No life.

The time limit was one year. On January 1st I had to pay up or my Father was going to be killed.

When you're faced with an ultimatum like this, you do whatever you have to do.

And that's exactly what I did.

The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price.

Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go.

Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations.

Warning: This book is designed for audiences 18+ due to language and graphic sexual content.
