Murder in Little Egypt (An Onyx Book) Darcy O'Brien

The unimaginable crime of filicide takes on the cast of tragic inevitability in this haunting true tale of violence, greed, revenge, and death. Fusing the narrative power of an award-winning novelist and the detailed research of an experienced investigator, Darcy O'Brien unfolds the story of Dr. John Dale Cavaness, the southern Illinois physician and surgeon who in December 1984 was charged with the murder of his son Sean. Outraged by the arrest of the skilled medical practitioner who selflessly attended to their needs, the people of Little Egypt rose to his defense. In the trial, however, a radically different, disquieting portrait of Dr. Cavaness would emerge. For throughout the three decades that he enjoyed the admiration and respect of his community, Cavaness was privately terrorizing his family, abusing his employees, and making disastrous financial investments as well as brawling and womanizing. What was not revealed in the trial, however, was that seven years earlier, in a homicide that had never been solved, the body of Cavaness's firstborn son, Mark, had been found shot dead in the woods of Little Egypt. In addition to a compelling chronicle that uncovers the truth behind two ghastly crimes and lays bare the Jekyll–Hyde psyche of their perpetrator, *Murder in Little Egypt* brings into stark midwestern light the hidden, gothic underside of an America bred on violence and bathed in blood. "Stunning material,"—Nobel Prize-winner Seamus Heaney "A meticulous account ... an implicit indictment of a culture that condones and encourages violent behavior in men."—The New York Times Book Review

Now, why not trying Murder in Little Egypt (An Onyx Book) that give your pleasure preference will be satisfied by reading this book. Reading addiction all over the world can be said as the opportunity for people to know world far better then how they react when it comes to the world. It can't be said constantly that reading addiction only for the geeky man but for all of you who wants to possibly be success person. So , for every you who want to start reading through as your good habit, you can pick Murder in Little Egypt (An Onyx Book) become your own personal starter.

Tyrone Hogans:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Murder in Little Egypt (An Onyx Book) can make you experience more interested to read.
