She has two men, two identities, one choice... Rain Meyers has been in a suffocating relationship for five years, engaged to a man who sees only what he wants to see in her. When Rain finally escapes, she meets a man she can make beautiful music with. Justin Pascal is a songwriter with a past that haunts him. Together they discover common aspirations, a future, love and, ultimately, healing. But Bryan isn't about to give up the glass bottle world he's tried to trap Rain into...even if it means destroying everyone in his path.
