Palmer LaRue is running out of birthdays. For as long as he can remember, he's dreaded the day he turns ten -- the day he'll take his place beside all the other ten-year-old boys in town, the day he'll be a wringer. But Palmer doesn't want to be a wringer. It's one of the first things he learned about himself and it's one of the biggest things he has to hide. In Palmer's town being a wringer is an honor, a tradition passed down from father to son. Palmer can't stop himself from being a wringer just like he can't stop himself from growing one year older, just like he can't stand up to a whole town -- right? Newbery Medal winner Jerry Spinelli's most powerful novel yet is a gripping tale of how one boy learns how not to be afraid.
