The final battle-and the stakes have never been higher.

The long and bitter war is not over yet. One last battle remains, and it will set the Green Plains on fire. Mala's army of monsters has come to challenge what remains of the white horsemen. At stake? Torg's life . . . and Laylah's freedom. But even if the Chain Man and his minions are somehow defeated, an all-powerful being still waits in the wings-Invictus, himself. When the sorcerer finally makes his appearance, will Torg and Laylah's fragile hopes be incinerated?
