Lust (Wildemount Alphas) - BBW Werewolf Paranormal Romance Cora Wolf

100% Pure Sexiness, No Filler

Stand-alone paranormal werewolf romance. No cliffhanger, just a happy (and sexy) ending!

Lola gets a little shiver down her spine every time she catches Ethan's scent. But she knows that alpha werewolves like Ethan almost always want a pack of obedient and docile female werewolves to follow them around and stroke their egos, not one independent werewolf with an actual working brain.

When Ethan catches a scent of Lola's heat though, all the human rules and hang ups go out the window, and animal instincts take over. But is Ethan only interested in one night of intense passion, or a whole lifetime of mated devotion and lust?

Reader's Note: This story contains some seriously sexy scenes. If you're not interested in reading about curvy ladies who like their bodies getting it on with tough, growly alphas, then this story probably isn't for you!
