A. M. Amana

Prejudice Unveiled: The Myths and Realities about Islam A. M. Amana

This book is not a white wash of Islam, and A. M. Amana is not an apologist. In *Prejudice Unveiled*, A. M. Amana debunks the myths, misunderstandings, and misconceptions about Islam in order to ease the backlash of the Western world toward this global faith. His experiences growing up and living as a Muslim in the West give him a unique perspective toward different cultures, points of view, and faiths, which in turn allow him to shed light on Islam from a balanced Muslim and Western viewpoint. As he debunks nine prominent myths about Islam—myths about women’s rights, the Prophet Muhammad, Muslim views on Jews and Christians, Islamist violence, and more—he shows that Islam is the most misunderstood religion in the world. This compelling book is the answer to the questions that persist on the true essence of Islam. More specifically, *Prejudice Unveiled* is comprised of nine chapters as presented below: Myth One: Islam Came to Cancel Other Religions. Myth Two: The Quran Is Not a Miracle. Myth Three: The Prophet Mohammad Basked in Sensual Delight. Myth Four: Women Have No Rights in Islam. Myth Five: Islam Was Spread with the Sword. Myth Six: Islam Is an Inherently Hostile and Intolerant Faith. Myth Seven: Judaism Is the Enemy of Islam. Myth Eight: Christianity Is the Enemy of Islam. Myth Nine: Islam Is Incompatible with Western Modernity.
