On vacation in Thailand Lucy befriends Dale Porter, a fellow American living in the Philippines; but her idyllic break is cut short when Dale is arrested for murder on his return to Manila. She enlists Kane's assistance and they both head to the Philippines to look for answers, where together they set out to solve the mystery of a man's body found floating in the sea and to try to prove that Dale was not responsible for his death. As they travel from Manila to Subic Bay in their quest for the truth they identify several suspects – including Cary, the dead man's widow. But the victim had many enemies too. And why had Dale disguised the victim's boat and concealed it in a secret location? As they struggle to unravel the victim's complicated life Kane is finally driven to an unexpected and shocking conclusion.
