Embracing the God-given Dignity of Womanhood

With all the mixed messages that women receive from society today, it's easy to be distracted from and even unreceptive to the deep and abiding love that Christ has for them. Whether single or married, religious or consecrated, parenting children, or spiritually mentoring others, women need to know that the Lord understands the many challenges they face, their desire for inspiration, and, above all, their need to be affirmed as women.

Through this book of original and traditional prayers, inspiring writings, and uplifting words from the saints, women can be touched by God's divine love, thrive in affirmation from the Church, and understand and appreciate the true feminine genius that Christ offers.
