When you become an overnight phenomenon in the NFL, the money comes faster than your next breath. After signing a 90 million dollar contract, JT had the world at his fingertips. After crossing paths with an unexpected pretty face from his past he found himself waking up the next morning alone and unable to remember anything from the night before. JT blows the night off as a bad experience and goes back to his brighter-than-lights lifestyle– but things quickly change when the thot claims to be pregnant. His mind was made up and he was willing to do whatever it took to make sure that trifling woman never had his child– even it risked his career and his life.

Don't blink on this thrill ride that'll leave you hanging on to the edge of your seat with every breathtaking turn. Sex, lies, and murder plague every part of this deadly game .The stakes are high and trust is becoming more unfamiliar with each roll of the loaded dice. JT knew the cost of losing but his addiction for winning fueled his every move and wouldn't allow him to quit. The only thing he didn't know was when a thot wanted you there was nothing you can do about it.
