Bubba and the Dead Woman C. L. Bevill

Bubba Snoddy is a good old country boy with a big problem. Although he's personable, handsome, and lives in a historical Southern mansion in a small Texas town, he has just discovered the dead body of a woman to whom he was once engaged to marry. His ex-fiancée was responsible for Bubba being thrown out of the military which in turn caused his shameful return to the tiny town of Pegramville, where everyone is a consummate gossip and no one has any secrets. Sheriff John Headrick believes Bubba killed his ex-fiancée in a fit of vengeful rage. The townsfolk believe that Bubba killed his ex-fiancée in a fit of vengeful rage. Bubba's own mother believes that Bubba killed his ex-fiancée in a fit of vengeful rage. To top it all off, there are some mighty strange goings-on at the Snoddy Mansion, where ghosts walk the halls rattling chains in the midnight hour, and Bubba's own sainted mother, Miz Demetrice, runs an illegal gambling ring. Rumors run merrily rampant about Bubba, decadent Snoddy ancestors, missing Civil War gold, a to-die-for sheriff's deputy with the greenest eyes Bubba's ever seen, and a Basset Hound named Precious who likes to nip first and ask questions later. Bubba has to find out exactly who did murder his ex-fiancée and quickly before he goes to jail for the crime, or before someone murders him.
