In the world of motorcycle clubs, a snitch is a dead man. And the Bedlam Butchers have a snitch who's intent on taking down one of the newest members of their club.

Shy knows just who the snitch is, too—it's her older brother. But she can't do anything about it, because Shy's got no one to protect her. If she tells what she knows, her brother's going to sell her out to his new, dangerous buddies. If she keeps quiet, she's still at risk from the Butchers. She needs someone at her back. Enforcers Muscle and Beast are the perfect solution... if she has the guts to make a play.

Beast's big hulking form and a face only a mother could love drives most women away. Muscle's pretty as could be, but he's got a nasty attitude and a brick wall around his heart. No one wants to get in their bed... which means they're perfect for Shy's needs. When the three get together, it's obvious that these men need Shy just as much as she needs them. And now she wants to stay for entirely different reasons than just safety.

But what's going to happen when they find out Shy has been withholding information?

DOUBLE TROUBLE is a complete novella of 30,000 words. No cliffhangers—only hot and sexy romance. The Motorcycle Clubs series is romance for readers who want all of the heat and emotion, but who don't have all of the time.
