Overwhelmed with big screen TV and home theater audio options? What do you need to build the perfect home theater experience? *Home Theater For Dummies, 3rd Edition* shows you how to plan a home theater system and choose components that fit your budget and your room.

Beginning with the most basic information, this guide helps you choose what you need and put it all together. It explains DLP, 3LCD, HDMI, DTV, and HDTV so you can talk intelligently with salespeople at the electronics store. You'll find out about Blu-ray, explore HD and satellite radio options, and see how to incorporate a Wii, Xbox, or Playstation 3 into your set-up. Learn to:

- Choose among plasma, LCD, and projection TVs
- Know the difference between digital TV and HDTV
- Assess and choose an LCD TV, a new 3D TV, or an HD radio
- Set up your audio system and TV for maximum performance
- Use a Media Center or Home Theater PC
- Fine-tune your system and add cool touches such as accessing home theater content from your cell phone
- Explore HD and satellite radio options, CD players, DVD-Audio disks, and options for old cassettes and vinyl
- Set up your system with the proper cables for each component, or learn what it takes to go wireless
- Calibrate your video with a calibration disk, an optical comparator, or a DVD containing THX Optimizer

Get the perfect home theater experience by following the expert tips and techniques presented in *Home Theater For Dummies, 3rd Edition*. You'll be watching movies and listening to audio in no time!

From reader reviews:

Thomas Melendez:

What do you ponder on book? It is just for students because they are still students or it for all people in the world, the actual best subject for that? Just you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't desire do that. You must know how great in addition to important the book Home Theater For Dummies. All type of book would you see on many resources. You can look for the internet methods or other social media.

Richard Williams:

Playing with family in a very park, coming to see the coastal world or hanging out with pals is thing that usually you could have done when you have spare time, after that why you don't try thing that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Home Theater For Dummies, you could enjoy both. It is great combination right, you still want to miss it? What kind of hang type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Jacob Lehr:

It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life along with knowledge.

Vickie Flores:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Home Theater For Dummies can make you really feel more interested to read.
