A person's first kiss is always memorable. But kissing is an act that can seem like rocket science to some, especially if you've never done it. Kissing has been immortalized in various screenplays, poems, novels and even in songs. But how do you actually make your first kiss as memorable as it deserves to be? If you are one of the many who haven't tried it yet, but are just dying to kiss that special someone, then reading this ebook will definitely help you out. You will learn how to set up the perfect moment, how to feel confident and, of course, how to do all the technical stuff right (without it seeming technical at all).
