American Puritan Imagination: Essays in Revaluation

American Puritan Imagination: Essays in Revaluation

Over the last two decades a major revaluation has been taking place of the colonial Puritan imagination. With the growth of interest in early American literature has come increasing recognition of its quality and a better understanding of its place in the continuity of American culture. However, much of the best critical work to date has been published as articles in scholarly journals, and in bringing together for the first time the best work in this growing field the present anthology fills a number of important needs. It is at once a valuable and accessible introduction for students, a summing-up of a new enterprise, and a guide for further studies.
